Introductory Comments

In response to the Final Office Action dated May 6, 2004, having a statutory period for response of six months as provided in 35 U.S.C. § 133 reduced by the Commissioner to three

months as provided in 37 C.F.R. § 1.136, a time set to expire on August 6, 2004, Applicant filed a Reply in connection with the above-captioned patent application (“Application”).

The Examiner entered an advisory action dated June 30, 2004, noting the Listing of Claims did not include the parenthetical statement “cancelled” immediately after claim number 23, although all other subsequent claims did include the parenthetical statement. Accordingly, the sole purpose of this Reply is to amend the Listing of Claims to insert the appropriate parenthetical statement “cancelled” immediately after claim number 23.
